

Important Notice: Service Operation Plan Due to the Approaching Typhoon

Due to the approach of Typhoon No. 6, strong winds and heavy rain are expected from the morning through the evening of Wednesday, June 3. Therefore, Odakyu Line trains may be suspended or delayed.

The following tickets will be suspended from sale in the Enoshima area.

- Enoshima Sky View Ticket and Odakyu Line
- Enoshima Aquarium Ticket and Odakyu Line

The operation plan for the following Limited Express Romancecar services will be changed.

- Affected trains: Fujisan No. 1, No. 2, No. 3, and No. 4
- Service change: Trains will operate only between Shinjuku and Hadano. The service between Hadano and JR Gotemba will be suspended.

The operation plan for the Hakone Ropeway will be changed.

- The operation will be suspended from the first train. Operations will resume once the weather conditions improve.

Before traveling, please check the websites below for the latest operation information on the Odakyu Line, Limited Express Romancecar, and transportation services in the Hakone and Enoshima areas. We sincerely apologize for any inconvenience caused to our customers.
