

[Important Notice] Train Operation Schedule Due to Heavy Rain Forecasts

Due to heavy rain forecasts, heavy rainfall is expected to continue along the Odakyu Line on Monday, September 7, 2026.

Depending on weather conditions, train operations on the Odakyu Line may experience suspensions or delays.

Additionally, please note that as of 10:00 today, various transportation services in the Hakone area, including the Hakone Tozan Railway (between Hakone-Yumoto and Gora) are suspended.

<Sales Suspension for September 7 (Mon)>

The following tickets are not available for purchase:

- Hakone Freepass

<Operational Changes for Limited Express Romancecar on September 7 (Mon)>

- Affected trains: Fujisan No. 1, 2, 3, 4, 5, and 6
- Changes: Services will operate only between Shinjuku and Hadano. (Operations between Hadano and JR Gotemba will be suspended.)

Before traveling, please check the latest operation information for the Odakyu Line, Limited Express Romancecar, and transportation services in the Hakone and Enoshima areas on the websites listed below.

We apologize for any inconvenience this may cause.
