Odakyu Electric Railway Co., Ltd.

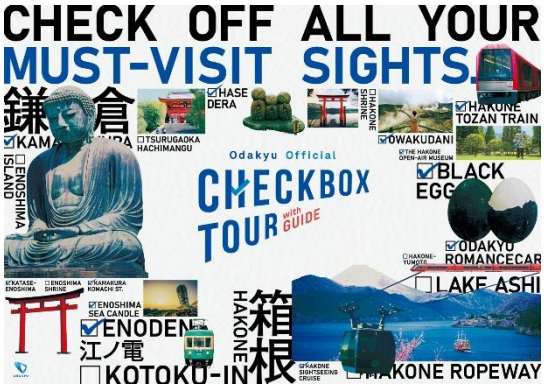

Experience all the must-visit spots in Hakone or Kamakura in a single day!

Odakyu Launches Official Walking Tour with English-Speaking Guide

Odakyu Electric Railway Co., Ltd. has launched **Odakyu Official CHECKBOX TOUR with Guide**, a new series of guided day tours for international visitors who wish to experience the highlights of Hakone and Kamakura with ease.
Available in Hakone and Kamakura, the tours combine Odakyu's transportation network, carefully planned itineraries, and professional English-speaking guides. With a maximum of six participants and departures available for even a single guest, the tours offer a more personal travel experience, helping visitors make the most of a limited stay in Japan while discovering the history, landscapes, and culture beyond Tokyo.

CHECKBOX TOUR: CHECK OFF ALL YOUR MUST-VISIT SIGHTS with a Local Guide

Odakyu Official CHECKBOX TOUR with Guide offers a comfortable, worry-free way to check off all your must-visit sights in Hakone and Kamakura.
Whether travelling solo or with family and friends, guests can enjoy a smooth, hassle-free journey, even on their first time to Japan. With transportation, tickets, transfers, and directions arranged in advance, English-speaking guides accompany guests throughout the day, introducing local history and culture while providing attentive support at every stage of the tour.
Guests can also purchase an original CHECKBOX TOUR T-shirt as an optional part of the experience. The design features checkboxes representing the spots visited during the tour. Guests can mark each box as they reach a destination, turning the day into a personal travel challenge and a lasting record of their journey.

The **KAMAKURA CHECKBOX TOUR** invites guests to discover the historic temples, shrines, and coastal scenery of Kamakura and Enoshima.

Kamakura was once the political center of medieval Japan and remains one of the country's most significant historic destinations. Highlights include Tsurugaoka Hachimangu Shrine, Kotoku-in (Great Buddha of Kamakura), and Hase-dera Temple, along with a nostalgic ride on the Enoden train.

The journey then continues to Enoshima, where guests can experience the island's lively atmosphere, visit Enoshima Shrine, and enjoy views from the Enoshima Sea Candle. Along the way, the tour brings together centuries-old culture, local stories, and the refreshing ocean breeze of the Shonan coast.

Accompanied by a professional English-speaking guide, guests can explore the area with confidence and gain insights that go beyond a self-guided visit.
